## **Metro Wrapping Design Competition**

The FSF operating under the aegis of the FSC is organising a **Metro Wrapping Design Competition** aiming to show how sustainable finance can shape a better future for the planet.

Participants are required to propose a visual concept for the Metro Wrapping which can be in the form of a **drawing or graphic design**.

### **Eligibility**

The competition is open to all citizens of the Republic of Mauritius. The participation form can be downloaded from the Harmony website: <https://harmony.mu/>.

### **Entries**

Each individual can submit only one entry for the competition.

### **Specifications and Conditions for participation:**

1. The visual concept must be original, impactful and captivating to symbolise sustainable finance and to convey the key messages that include environmental, social and governance considerations in investment decisions.

2. The visual concept can be in the form of a drawing or graphic design.

3. The design should fit the dimensions of a typical metro wrapping with a ratio 12:1 (Length:Height).
4. While there is no restriction on colours, it is recommended to use a colour scheme that is visually appealing and aligns with sustainability themes (e.g. green, blue, earth tones).
5. The selected design shall become the property of the FSF.
6. The FSF reserves the right to interpret the concept in a graphical way.
7. A rationale on the visual concept (in French or English) must be provided.

The deadline for submission: **Thursday 30 November 2023**

***Late submissions will not be accepted.***

### **Judging Criteria**

The visual concept will be evaluated based on the following criteria:
